

POWER WHEELCHAIR HIRE FLEET GUIDE

Helping you stay mobile

Welcome to Power Mobility Hire

A family-owned business with over 40 years' experience in assistive technology, Power Mobility now offers a quality range of power wheelchairs for hire, including some of the world's best brands such as Magic Mobility, Quantum Rehab, Pride Mobility, Amylior and Ottobock.

HOW IT WORKS

Our dynamic range of specialised power wheelchairs are available as 'fast-supply' options for people who need a chair asap!

We are constantly adding new models to our fleet, from standard options to highly customised chairs. Most of our hire fleet consists of scripted/prescribed power wheelchairs. This means they can be customised to suit the specific needs of each individual client.

To arrange a hire chair, please contact Power Mobility and our friendly Customer Service team will take you through the process in more detail.

FUNDING OPTIONS

There are a number of different funding options available when hiring a power wheelchair. At Power Mobility, we work closely with various organisations including the NDIS, insurance companies, charities, nursing homes, as well as those who are privately funded.

ACCESSORIES FOR HIRE

A range of products designed to complement our hire chairs are also available to rent including alternate drive controls, headrests, cushions and backrests from trusted brands such as Spex, Jay, NXT and ADL.

Our Hire Fleet of Power Wheelchairs

Our quality fleet features some of the most popular power wheelchairs on the market. If the chair you're looking for isn't featured here, please visit powermobility.com.au and check out our Hire Fleet page for the most up-to-date wheelchair information.

AMYLOR

AMYLOR ALLTRACK HD3 Mid Wheel Drive

With a weight capacity of 200kg, this heavy-duty chair is built to suit larger users. With dual action, independent 6-wheel interactive suspension, it provides indoor manoeuvrability and comfort.

AMYLOR

AMYLOR ALLTRACK M3 Mid Wheel Drive

The perfect blend of indoor manoeuvrability and outdoor performance. With dual-action suspension, the M3 can be fitted with an array of positioning and electronic accessories.

magic
Mobility

MAGIC 360 CROSSOVER COMPACT Mid Wheel Drive

A true all-terrain powerchair, the Magic 360 can handle everything, from off-road challenges to indoor obstacles. Paired with crossover wheels, this compact chair easily moves from outdoors to indoors.

magic
Mobility

MAGIC MOBILITY EXTREME X8 Four Wheel Drive

Go wherever you want to go – over kerbs, on sand and into the bush. It combines rugged construction with high torque gear in line motors and all-wheel suspension for a smooth ride.

magic
Mobility

MAGIC MOBILITY FRONTIER V4 OFF ROAD Rear Wheel Drive

With superior stability and smooth suspension, this chair has changed the face of rear wheel drive models. The rearward stability system allows it to take on kerbs without getting stuck.

magic
Mobility

MAGIC MOBILITY FRONTIER V6 ALL TERRAIN Mid Wheel Drive

Built for users who prefer the track to the tarmac. With tremendous off-road capability, this chair's low-pressure tyres provide a smoother ride and increased climbing ability.

magic
Mobility

MAGIC MOBILITY FRONTIER V6 COMPACT Mid Wheel Drive

With shorter front castors and castor arms, this is the perfect indoor/outdoor chair. Its 73 amp-hour batteries provide great range, plus it can climb moderate kerbs, for manoeuvrability and freedom.

ottobock.
the human empowerment company

OTTOBOCK B6F Front Wheel Drive

This compact chair offers superior climbing performance when faced with obstacles like kerbs. Its small turning circle means it's easier to manoeuvre around furniture and other obstacles, making the B6F great for indoors.

Q
QUANTUM
#1 FOR REHAB POWER

QUANTUM JAZZY 623 2.0 Mid Wheel Drive

With powerful motors and improved responsiveness, this chair suits the most active user. With TRU-Balance 50-degree tilt, it delivers exceptional outdoor performance and manoeuvrability.

Q
QUANTUM
#1 FOR REHAB POWER

QUANTUM Q6 EDGE 2.0 Mid Wheel Drive

With features like optional iLevel technology, standard 9.6km/h motors & advanced responsiveness, this chair provides superior performance, with a weight capacity of up to 136kg.

A One Stop Shop For All Your Mobility Solutions

A family-owned business with over 40 years' experience, Power Mobility provides the perfect combination of quality mobility products, personal service and expert advice. Our huge showroom features the latest mobility products including power wheelchairs, manual wheelchairs, scooters, lift chairs, plus much more.

Widely regarded as the power wheelchair specialists, we really know our stuff when it comes to customised and scripted wheelchairs. Our experienced team covers many areas throughout Queensland and Northern New South Wales – from Cairns to Byron Bay, and out to Emerald in the west.

Experts in Service, Maintenance & Repairs

We understand the importance of having someone you can rely on to maintain, service and repair your mobility equipment. That's why we offer a convenient mobile service and repair centre. Our friendly service technicians are fully trained to conduct the most complex repairs, alterations and customisations. We cover the following areas:

- Brisbane
- Sunshine Coast
- Ipswich
- Gympie
- Gold Coast
- Toowoomba

If you prefer, you can visit our service centre in Brisbane. Please call first to make an appointment, so a technician can see you promptly.

At Power Mobility, we're dedicated to helping you get mobile, so you can live life to the fullest. Whether you want to purchase mobility equipment, hire a power wheelchair, or you need to maintain, service or repair your equipment, we're here to help!
